## What is covered in the cost?

*Accommodation and use of facilities at Orchard Glory Resort, yummy food, fun activities and a fantastic speaker.*

## Who is our speaker?

*We are blessed to have Lisa Cowan, former women's ministry worker at NBBC, fly all the way from Queensland to teach us about 'Union with Christ, Unity with One Another'.*

## What is our accommodation like?

*It's lovely! We will be staying in self-contained chalets. Each chalet has two or three bedrooms with each bedroom sleeping two people.*

## What if I can only make it for part of the retreat?

*If this is you, please let us know on your registration form. Please be advised that in order to cover costs, we cannot reduce the price for part-timers. But if cost is a barrier for you, do let us know – we don't want it to be the reason you can't come!*

## Are children allowed to come?

*We want our ladies to be immersed in the program, free of distractions, so we ask for you to leave your kiddies at home so you and others can enjoy some down time. However, babes-in-arms, are most welcome to join us for Saturday's program.*
