We would like to invite all the women of NBBC to a women's ministry think tank – to help us shape the direction of the staff position of Women's Ministry Worker.

Lisa Cowan has been in that position, but is now in Darwin.

This is a time for dreaming about how to develop and then fill this role for our next season of ministry. The gathering will be 4.00pm, Sunday 26th July, in the MPR.

It is for women right across NBBC.

## Family in Need

There is a Mission family who have worked with Pioneers in Indonesia from Qld. They can't get back to Qld but they have gotten as far as Perth. They will be out of quarantine around 16/7 and will need accommodation for at least a week before going to the S/W. Will your home be empty during this time? The father is not well and requires invasive cardiac tests (not COVID) but this can't be done until they leave quarantine.

They will require new or very good condition, winter clothes and PJs for :

- boy size 16
- boy size 14
- girl size 10
- Dad size XL
- Mum size 14

Some clothes have already gone in as they have felt the cold this week.

A car has been lent to them for their time in WA.

If you can help please call the office on 9448 7018

Please pray for this family
